

# Valentine's Day

Interactive Heart Coloring Sheet

Hi!

If you are new to me, Art with Jenny K., and my work, welcome!

If you have been around for a while and know what I'm all about, welcome back—and thank you for supporting my efforts.

I am an art educator specializing in helping **teachers**, **art teachers**, and **parents** infuse creativity into their lessons.

I am happy to offer you this **FREE Valentine's Day Interactive Heart Coloring Sheet**. I hope this is helpful to you and your students.

While you are tirelessly supporting your children and students, I'm working (also tirelessly) to support YOU!

Jenny K.

# Who is Jenny K.?

I am an art educator specializing in helping **classroom teachers, art teachers, and parents** infuse creativity into their lessons (I know, I already said that, but it's worth repeating, I think :)).

I've taught art to middle school children in Charlottesville, Virginia (where I was also a professional ballroom dancer). I've taught gifted summer programs and even won Teacher of the Year in Virginia (that was cool).

I moved to Tucson, Arizona in 2008 and worked for years as an art teacher at an elementary school, teaching about 600 kids a week.

I have an art studio in Tucson, and I teach classes and seasonal art camps. I also do custom birthday parties/adult art parties and volunteer at several schools in my town. This is on top of the work I do online to help teachers and parents infuse creativity into their teaching worldwide.

You can find this work on my blog [HERE](#) and on TPT [HERE](#). Oh, and I have an adult coloring book on [Amazon](#), too!

## FULL VERSION INFORMATION

This FREE interactive heart coloring sheet is a sample from my Valentine's Day Interactive Coloring Sheets. You can see the full resource by clicking the image.

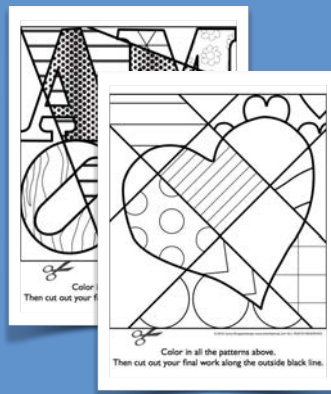

The full resource includes...

9 interactive designs

6 pattern filled designs

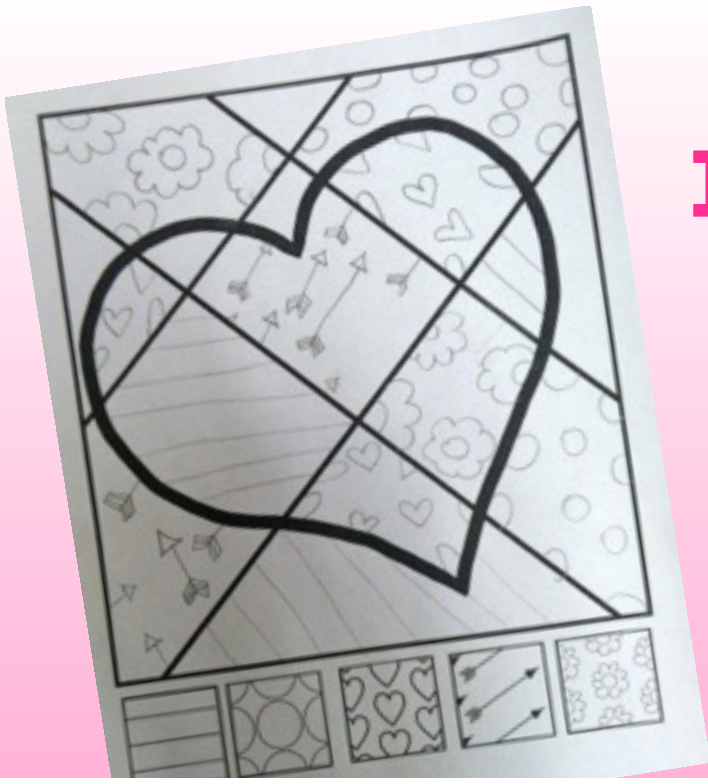

And 5 writing prompts with 2 blank writing pages!

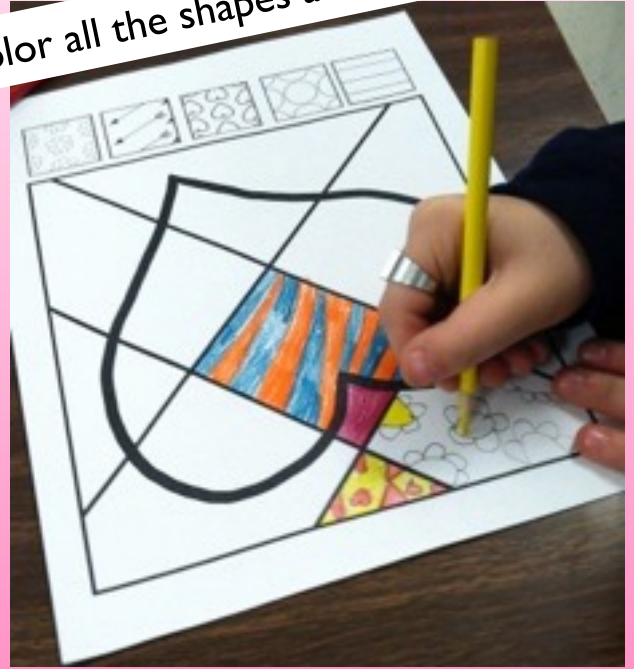

# Interactive Coloring Sheets: How-To

1. Using the patterns in the five small boxes at the bottom of the page fill in the different parts of the picture. Every time you run into a black line change your pattern. Don't forget to leave some areas a solid color to break things up.

2. Color all the shapes and patterns.

3. Cut out the large box at the top with the finished work.

4. Voila!

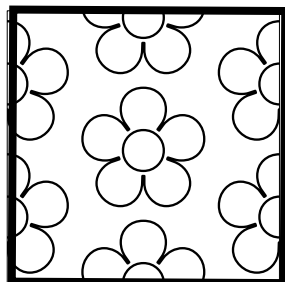

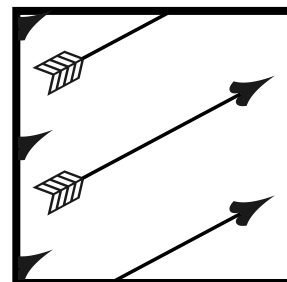

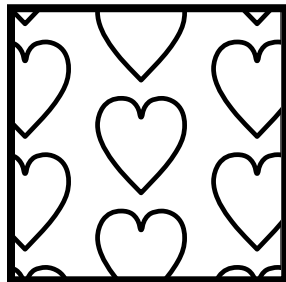

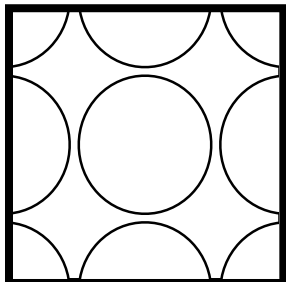

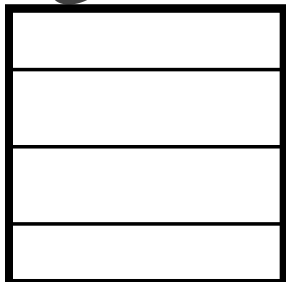

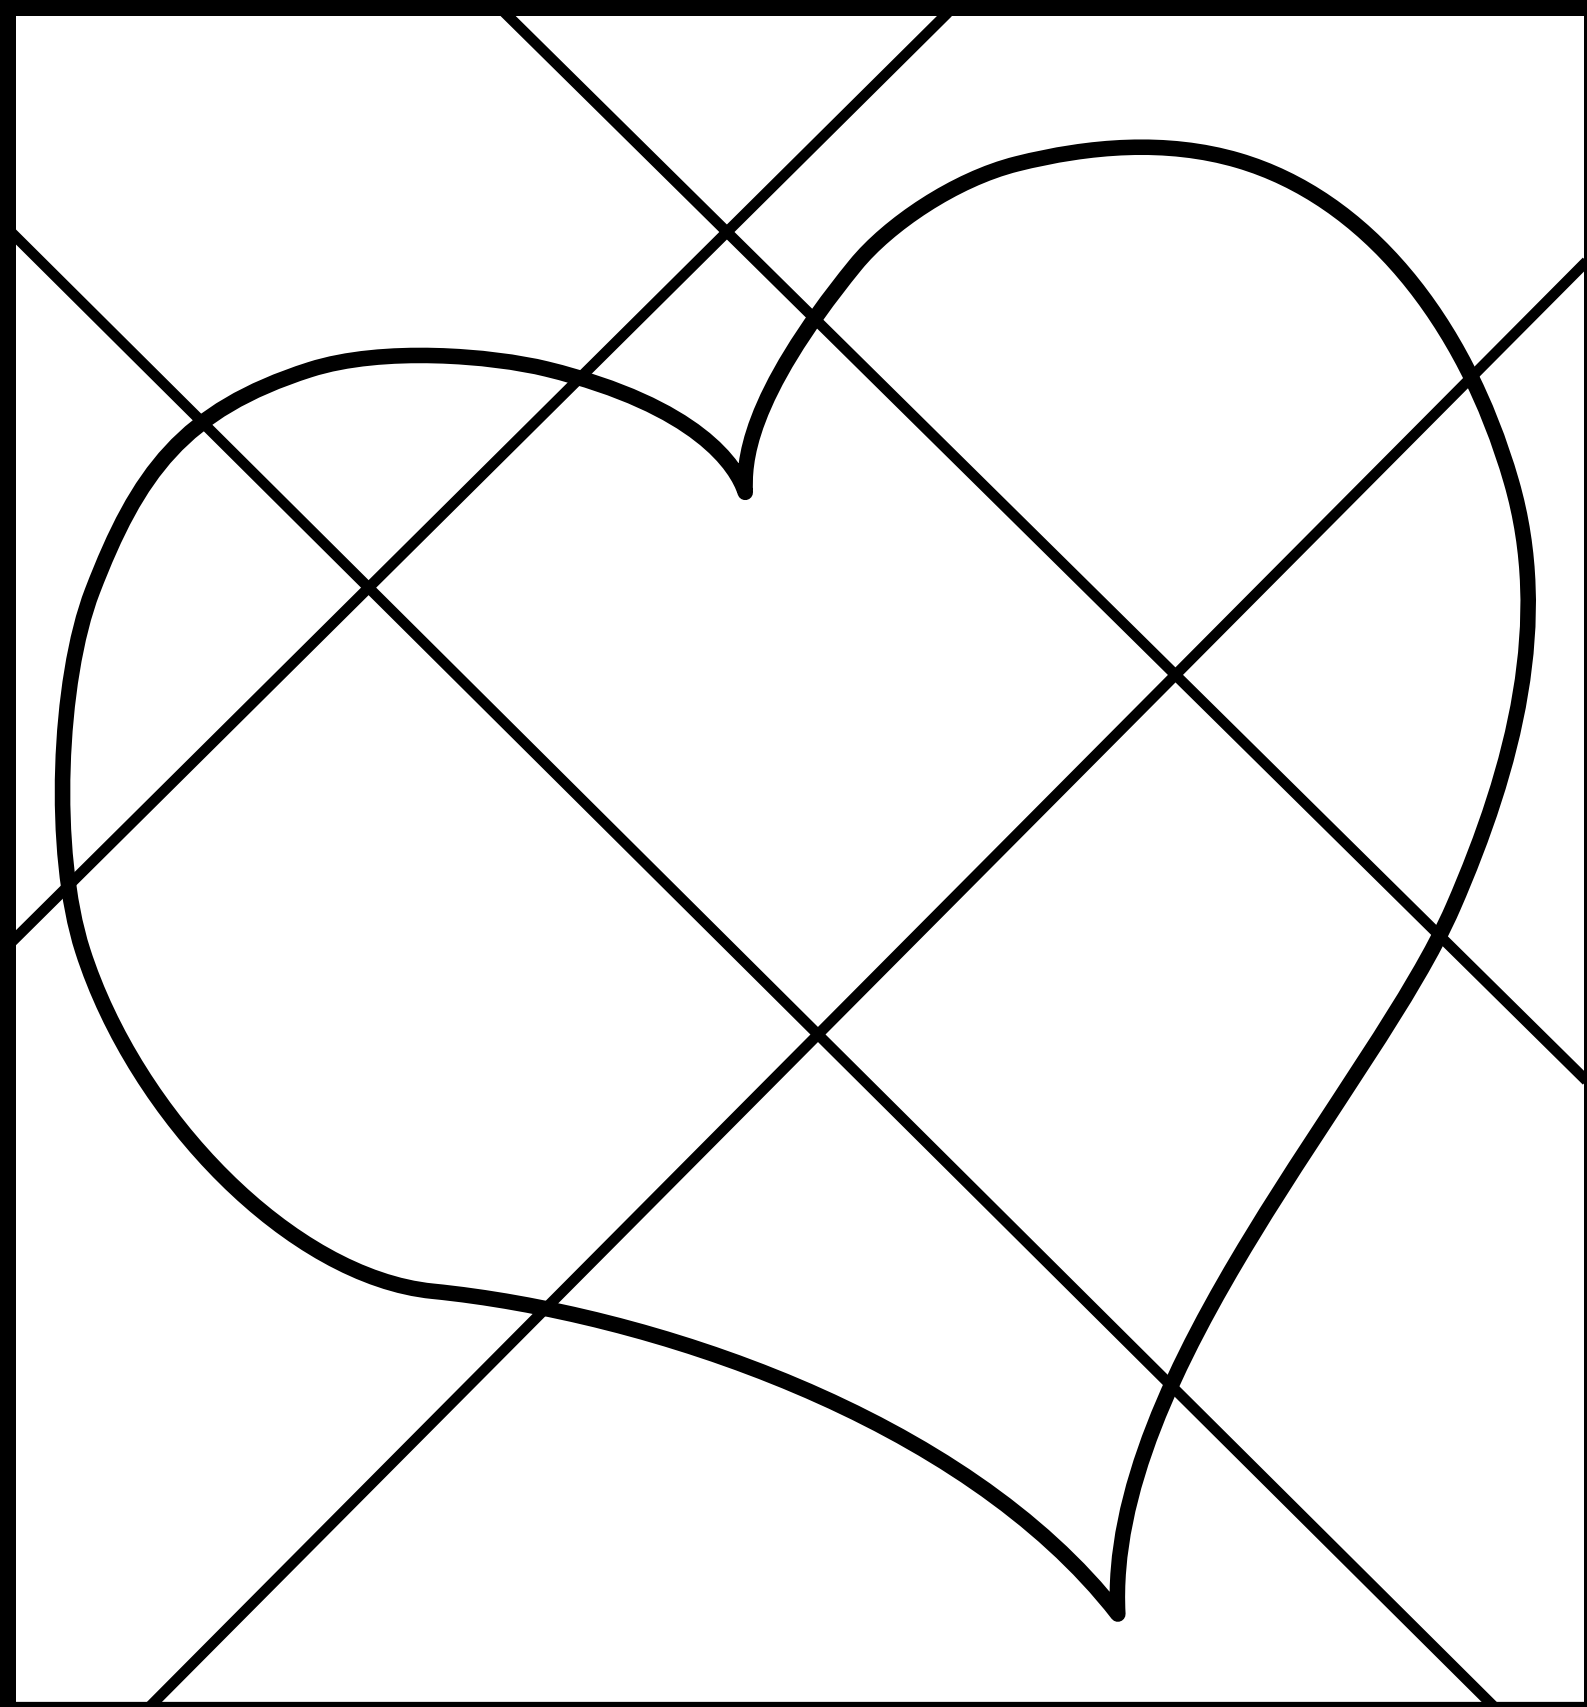

# EXAMPLE

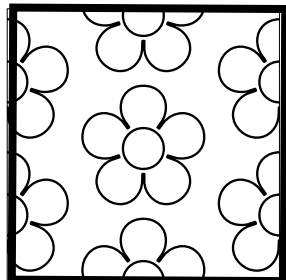

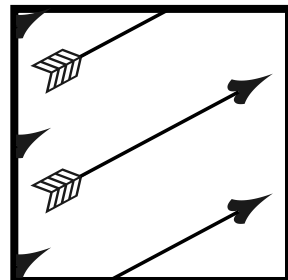

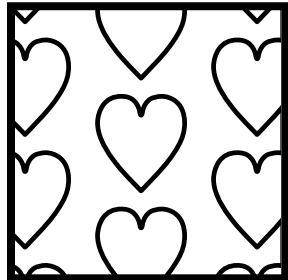

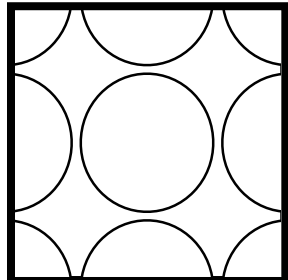

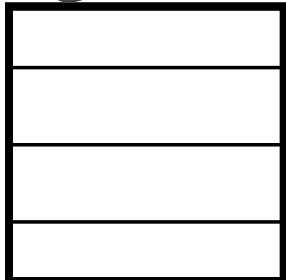

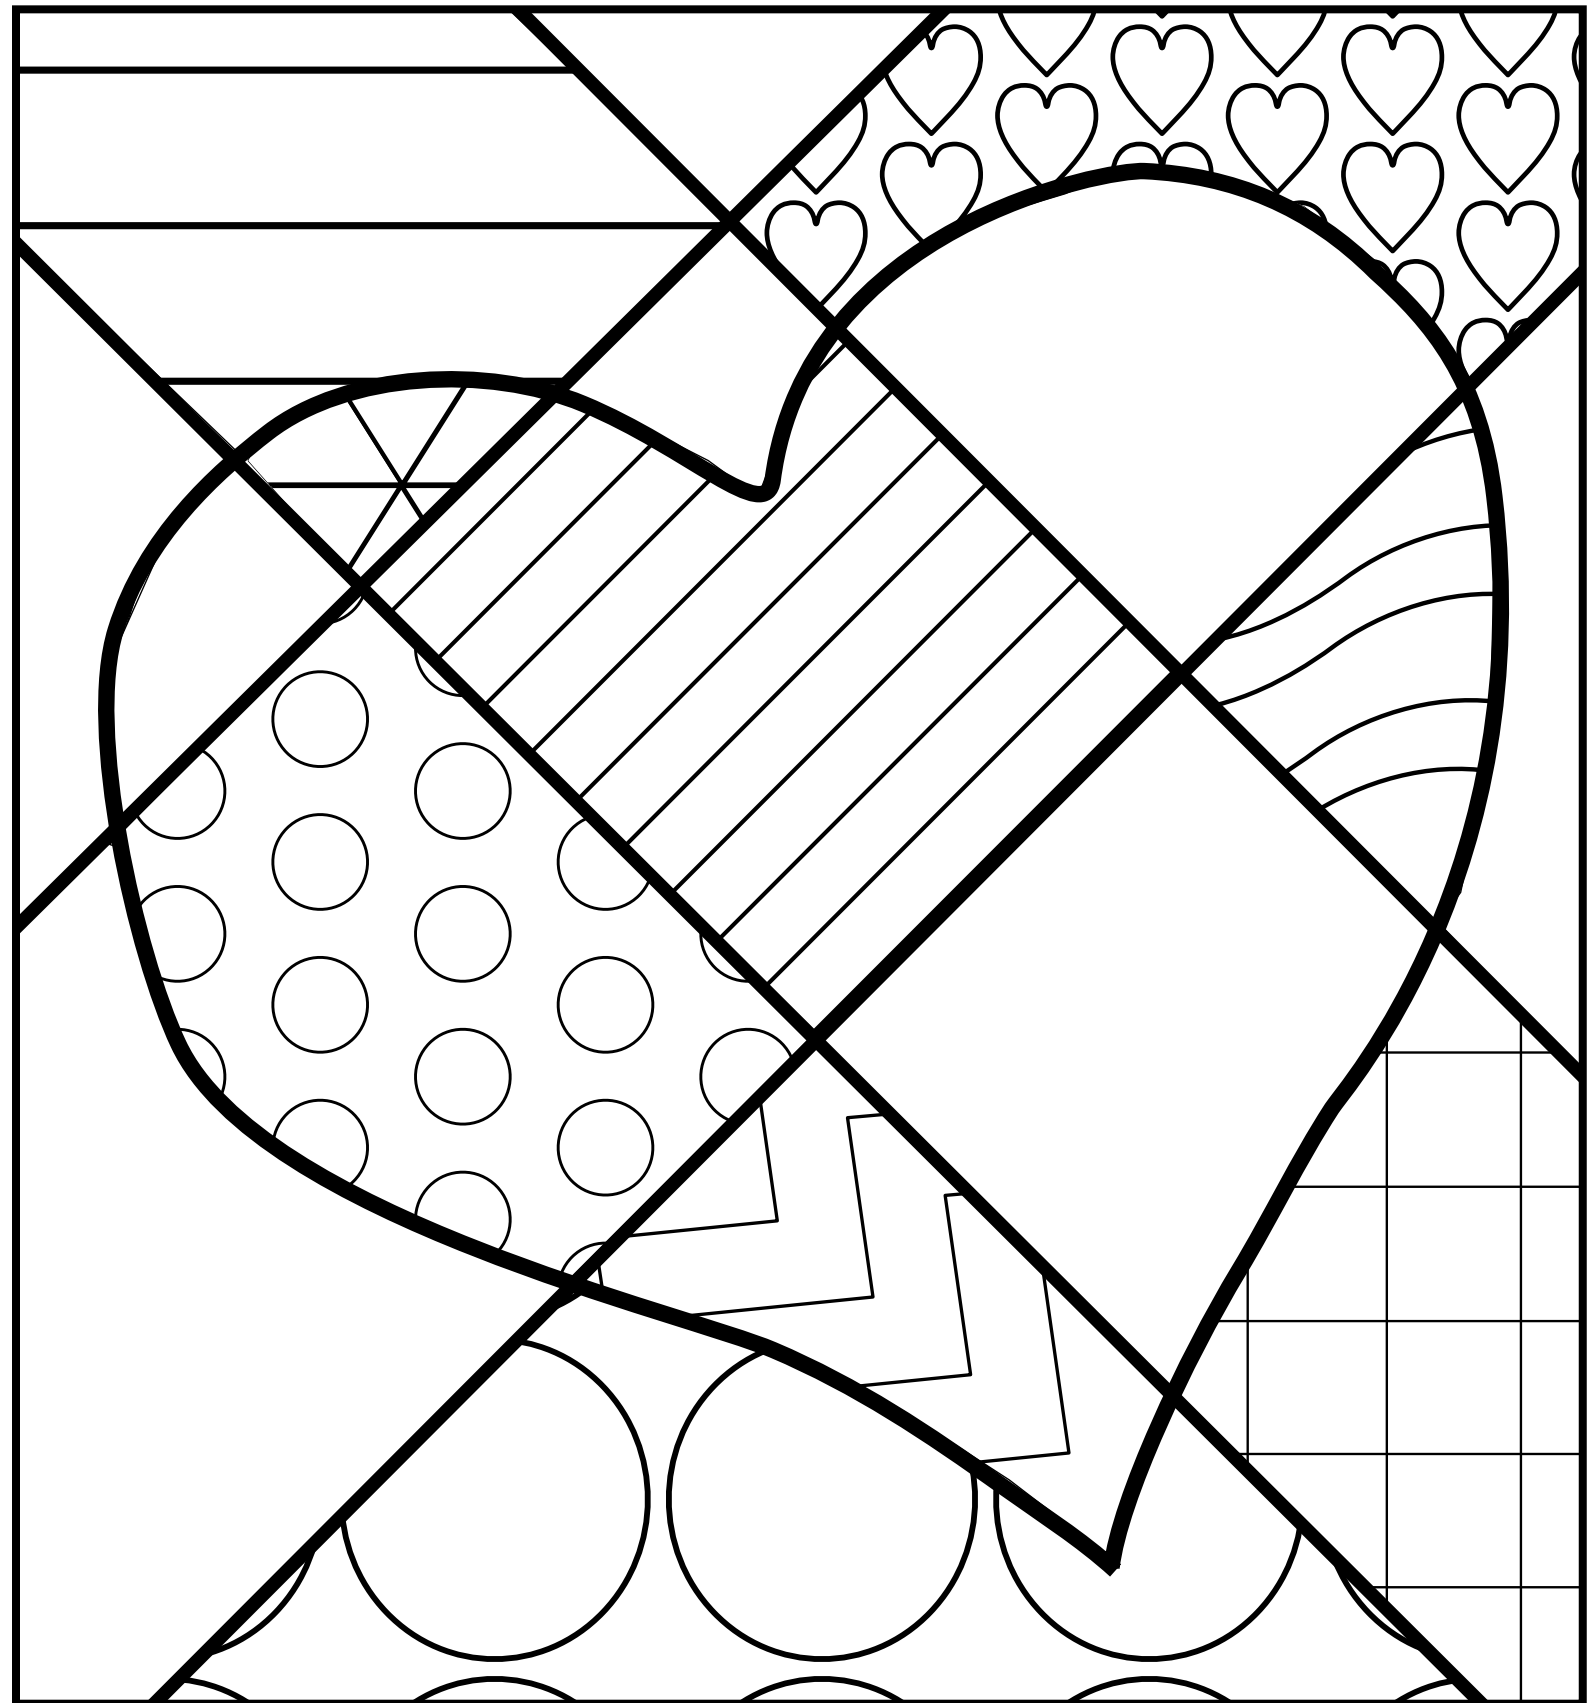

Fill in all the areas broken up by black lines with the patterns below. Feel free to make up your own patterns. Then color & cut out your final work.
